Mathai Sibu K.

Data Analyst | Business Consultant | Strategist
Poynton, England, United Kingdom

Summary

As a highly motivated and detail-oriented data analyst, I bring a wealth of experience to the table, having spent 25+ years in the logistics, freight, and stock analysis industry. Throughout my career, I have honed my analytical skills, developed a keen eye for detail, and gained a deep understanding of the importance of data-driven decision-making.

My expertise in logistics, freight, and stock analysis has allowed me to develop a unique perspective on the importance of data in driving business success. I have a proven track record of using data to identify trends, forecast demand, and optimize supply chain operations. My ability to analyze complex data sets and extract meaningful insights has been instrumental in driving business growth and improving operational efficiency.

As a fresher in the field of data analysis, I am excited to apply my extensive experience and knowledge to new challenges and opportunities. I am committed to staying up-to-date with the latest trends and technologies in the field of data analysis, and I am eager to continue learning and growing as a professional.

In summary, I am a highly skilled and experienced data analyst with a proven track record of success in the logistics, freight, and stock analysis industry. I am passionate about using data to drive business success, and I am committed to delivering high-quality results that exceed expectations.
